Certificate of Internship

This certifies that Ms Aadya Shakti Aggarwal, a student of Calcutta International School, successfully completed an internship at SMC Power Generation Ltd from December 7th, 2023, to December 20th, 2023.

During her internship, Ms Aadya worked in the Accounts and Finance Department, where she was involved in various projects and tasks related to accounting, finance, and data entry.

Ms Aadya showed a strong interest in the field, a solid work ethic, and the ability to work effectively both independently and as part of a team. Her contributions were highly valued and appreciated by our team.

We wish Ms Aadya all the best in her future endeavours, confident that the knowledge and experience she gained during this internship will significantly contribute to her professional growth.

For SMC Power Generation Ltd.
